

Towerpoint Tennis Club

Star League

The **Towerpoint Star League** is composed of players who no longer play competitively but want regularly scheduled court time with players of similar skill level.

The **Star League** was formed in 2009 to promote **fun, exercise and social interaction**.

Court time is set aside specifically for Star League play. Members pay reduced club dues and are entitled to participate in all Non-League club activities.

Court play is organized by a Star League coordinator who is included in the Towerpoint Tennis Club Captains' meetings.

For Star League play times, check the tennis court bulletin board or the Club website: <http://towerpointtennis.org/index.html>
